

College Transition CHECKLIST

Calendar

If you don't already use a calendar, now's the time to start. There are some appointments you'll need make at home before you head to campus, as well as a number of dates from your school to keep track of over the summer.

- Add dates for summer academic advising to your calendar
- Mark other important dates from your school to your calendar
- Schedule a haircut
- Schedule a physical & submit the documentation to health services
- Research & sign up for freshman summer experiences or orientations
- Schedule any placement exams, if needed
