

College Transition CHECKLIST

First Week of Classes

It can be tempting to get a jump on some of the below before classes start, but resist! Give yourself time to settle in before getting into the nitty-gritty.

- Establish a daily routine for studying, homework, sleep, and meals
- Keep class syllabi handy for easy reference
- Buy textbooks
- Put key due dates & exam dates on your calendar
- Make a plan for studying
 - Where will you study?
 - When will you do daily homework?
 - When will you work on long-term projects?
